

Elo’s attendance in annual general meetings and exercise of voting rights 2024

As a long-term shareholder, we aim to improve the responsibility of our investee companies and monitor the compliance with good corporate governance. We primarily implement active ownership in three ways:

1. By attending the general meetings of the companies in which we are a shareholder either by ourselves or by proxy,
2. participating in nomination boards and
3. engaging with the management and, if necessary, Boards of Directors of the companies.

In 2024, Elo attended in 901 annual general meetings. For meetings outside Finland, Elo uses proxy voting services. Attendance and exercise of voting rights in Finnish companies can be found more detailed in a separate PDF.
